

EXPERIENCE BEYOND OWNERSHIP

Unlock a world of unparalleled possibilities, unburdened by possession.

Mission Statement:

To seamlessly connect a global community with curated, shared resources, empowering individuals to access what they need, when they need it, while unlocking value in every exchange.

Vision Statement:

To redefine the relationship between people and assets, championing a future where access transcends ownership, and a world of possibilities is available to all.

P2P

OOPA solves the burdens of modern living

Ownership is quickly becoming a burden, not a benefit. With OOPA, we bridge this gap by connecting individuals to a curated ecosystem of shared assets and services, starting with cars and motorcycles, later on expanding to all kinds of physical assets.

The OOPA Platform Advantage

Asset-light platform, maximum scalability.

- In-house App Development
- High Smartphone Penetration
- Intuitive User Interface (UI) / User Experience (UX)
- Advanced Matching Algorithms
- Secure Payment Processing
- Integrated Insurance & Trust Protocols
- Chatbot Integration for 24/7 Response
- Rating & Review System
- Diverse Asset Categories (Cars, Boats, Properties, Aircraft, Equipment, etc.)

BROWSER AND APP-BASED MATCHING

Flexible and available to most locals, OFWs, and tourists!

PREFERRED SHARES STRUCTURE

Minimum share allotment: 10,000 shares

Maximum shares: 70,000 shares

Price per share: PhP 5.55

Funding Timeline

Seamless matching

Peer to peer marketplace at your fingertips.

www.oopa.com.ph

HOSTS	GUESTS
Enables hosts to monetize underutilized assets as source of passive income.	Affordable vehicles on demand alleviating high ownership costs (purchasing, maintaining, and storing valuable assets.)
Fully insured with flexible insurance terms.	Access to diverse experiences without long-term commitment.
Option to let OOPA manage your fleet for a hassle-free experience.	Seamless peer-to-peer matching.

OOPA bridges the gap between

HOSTS

GUESTS

Car Owners

Owners with underutilized vehicles (OFWs, car owners who lacks garage space, owners looking to cover their mortgages)

Traditional Car Rental Companies

OOPA helps increase their visibility and bookings

Used Car Dealers

- Additional income for slow moving units.
- Can be treated as a paid test drive prior to purchasing a unit.

Capital Partners

OOPA can be a feasible investment platform offering attractive timeline for ROI.

OFWs and Tourists

OOPA serves the segment who wants more control and convenience compared to public transportation.

Hospitality Industry

OOPA offers support for the hospitality industry's logistical shortages during peak season.

Corporate Accounts

OOPA serves as support for companies shuttling employees or clients to and from the Metro.

Urban Young Professionals

Affordable vehicles on demand alleviating high ownership costs (purchasing, maintaining, and storing valuable assets.)
